Learning To Teach English As A Second Language

We have been offered a unique opportunity to be part of a pilot training scheme by the organisation Christian TEFL (Teaching English As A foreign Language).
They are looking for between 3 to 5 people from each pilot church to be trained to teach ESOL English classes in a church setting. The full cost of the course will be covered which includes 70 hours of training done mainly online, two seminars, course materials and support of a personal tutor.
No teaching experience is necessary and those trained will be taken step-by-step through the essential principles
If you are interested in this or would like to know more, please speak as soon as possible to Pastor Phil

Reza & Leigh

As you may remember, Christian Concern have been working with Reza and Leigh to help with Reza's asylum appeal. This has meant travelling to London on three occasions, once with Pastor to meet with the Christian Concern team including Andrea Williams, then to meet with a solicitor and most recent to meet with a psychologist. A cameraman from Christian Concern has also travelled from London to Bradford to film Reza and interview him with his family.
The substantial professional fees and travelling costs are being met by Christian Concern for which we praise God and which is a great answer to prayer. But as Reza and Leigh's church family we'd also like to support Christian Concern with this as much as we can. So if you are able to give towards this, please pass any gifts on to either Pastor Phil or Judith or Andrew Parker and we will send all that's given to Christian Concern for the support of Reza's case as a thank you.
